

Automatic Payment for RAC Employee Appreciation Fund

We are all aware of Freedom Plaza's no tipping policy (FYI this is standard policy across the industry). Our committee is making every effort to ensure you are informed of multiple ways of giving to our associates. All donations are voluntary and confidential.

- (1) For your convenience, we have a lockbox in the Atrium that we check once a week and will deposit the checks at the Wells Fargo Bank.
- (2) The committee will have a monthly collection table from June to November. Our committee members will be available to assist you with any questions.

The recommended contribution is \$2.00 a day, per person.

- (3) Your contributions can be made, at your convenience, one time or as a recurring payment.

Banks have varying recurring payment selections.

Examples: weekly, monthly, every 2 months, quarterly etc.

If you choose one of these options, please make sure your last payment is sent to Wells Fargo Bank by the end of October to ensure it will be deposited by the cut-off date.

See back page for detailed instruction

Anyone using a banking bill pay system can participate. Your banker can help you to perform the setup. Take this page to your bank and they can assist you.
