Your Community Pin is:

4371

amazon

Follow these steps to add the "My Community" skill to your Alexa-enabled device:

1. Go to the Alexa app or website (amazon.com/alexa).

2. Search for "My Community" in the Skills category and select "Enable."

3. Make sure your Alexa-enabled device is online and say "Open my community."

4. Provide your community's pin number.

Say "Alexa, open my community" anytime to access your community's information.

DID YOU KNOW

YOU CAN ALSO ASK ALEXA TO:

Check the Weather   Play Music   Set a Timer   Give Sports Updates
