of Freedom Plaza Sun City Center

Racket Sports Committee Report

Racket Sports were suspended by Freedom Plaza. The quarterly meeting of the committee was cancelled due to the pandemic. The next meeting is scheduled for July. Play is to resume on May 8, 2020. During the week of April 27, 2020 a concrete pathway was constructed to connect the pickleball courts and the tennis courts.

Joe Law, Secretary Racquet Sports

Note: A rumor indicated that Freedom Plaza was planning to add additional pickleball courts to the existing facilities. After a review of the existing court utilization (<2.0%) it seems that the court usage does not warrant the expense of additional courts. I forwarded an email to Angie Roher with the utilization calculation (4 hours designated play [M-W-F-S, 8-9am] divided by 252 hours of court availability [7 days X 9 hours/day X 4 courts]). There has been no response as yet. There are less than a dozen active resident pickleball players and a handful of non-resident players.
