From Community Life Services (Activities)(Pearl Birnbaum-Chairman)

To: Freedom Plaza Residents

Even though we were not able to meet, the department has been working on various plans. Here are a few:

-
- Conversion of craft room to Multi-Faith room
- Mother's Day Event – if unable to participate in social gatherings by May 10th, then we will observe the holiday by giving away some gift prizes via a drawing. All ladies of Freedom Plaza will be entered into the drawing and Angie will pull names "out of the hat" which will be videoed and made available via a YouTube link AND we will deliver a Mother's Day gift to each apartment.
- Initial planning for Freedom Plaza 28th Anniversary event scheduled for July.
- Initial planning for annual Christmas/Holiday multi-day tour trip.
- LCS has begun rolling out some new programming. We've started preliminary work on one in particular, an interactive communication portal (newsletters, digital signage, etc.).
- **Temporary** Programs created (for the duration of non-social gathering)
 - The RAC committee has access to the FPN channel equipment in ROC's office and has a person that knows how to operate it, so they have volunteered to show a Saturday night movie beginning this Saturday 4/18 at 7:15pm (channel 732). Thank you to the ROC committee for volunteering your time and the Movie Committee for providing the movies.
 - *"Guess Who" The Resident Is* Contest
 - *Spring Door Decorating* Contest (supporting Marketing dept. campaign to increase Facebook followers)
 - Created written material and providing (**limited one-on-one**) assistance to residents who are interested in learning how to use social media --- Skype, Facetime Google Duo
