

RAC Host Coordinator's Report for May and June 2020

There were four move ins for the month of May and two for June.

Hosts were found for all.

The Host job is especially difficult during this COVID time. First of all, move ins are self-quarantining for the first 14 days. Second there is no eating or drinking in common spaces, and the usual social means of conveying information is not available to the Hosts. In room entertaining is discouraged. Since face to face contact is by necessity limited Hosts are doing the best they can with written documentation such as the RAC Orientation Handbook and phone calls for Q&A and reassurance.

Fortunately, our great crew of RAC Reps are stepping up to greet Sweet Peas and do everything they can under the circumstances to make them feel welcome.

I recommend we plan a COVID Sweet Pea meeting in the Auditorium once that is available to us in order to do a general orientation with a Power Point and an extensive Q&A.

May

Easter, Pete/Wilson, B.J. B8-303

Stephens, Bob & Marion 113

Peatross, Marty & Sherry 305

Caldwell, Charlie 111

June

McGoldrick, Terry & Diane 235

Plaskon, Joe 112
