

Hello Activities Committee,

Looking forward to when we can meet again, hopefully in July. May/June recap bulleted below.

- Term limits for some committee members expires June 30, 2020 Thanks to **John Davis** for serving on the committee and managing the monthly newsletter collating process and to **Vince Martucci** for serving as Chairman of the movie committee for six years.
- Activities Dept. and Dining Services have started training on *TouchTown*, an interactive communication portal (activity programs listings, menus, reservations via digital signage and portals, etc). Roll-out is anticipated in the 3<sup>rd</sup> and 4<sup>th</sup> quarter.
- Additional movies for FPN/Channel 732 on the first Sunday (musicals) and the third Sunday (Classics) was requested. Pearl approved. Movie Committee agreed to provide the movies. RAC volunteers will show the movies.
- 28<sup>th</sup> Anniversary Event update: As noted in May's recap, Angie advised that the Anniversary event be moved to October in the **hope** that we are at PHASE 3 by then. Thursday, October 22 has been selected as the date. To maintain some social-distancing, three different time slots for the event will be scheduled with reservations required. Preliminary meetings with the STAFF committee have begun and bi-weekly meetings will start in July. If social-distancing requirements are still in place in October, moving the event outdoors (GVT) is a consideration.
- Writers' Workshop members have compiled their quarterly booklet, entitled; *Reflections*. Due out mid-June.
- As you're aware, LCS, Freedom Plaza's new management company official changed our department name in February from Resident Programs to *Community Life Services*. The RAC Council will use the title, *Community Activities committee*. To be compliant, we will use both names in submitting our monthly RAC reports. As customary, committee members and department staff will continue to KISS (Keep It Short and Simply) by referring to ourselves as the Activities Committee.
- Weekly Curbside Concerts (Thursday @ GVT and Friday @ The Plaza) will continue until we transition to Phase 2. A 4-piece band will perform on July 2 and July 3 at the Curbside Concerts in celebration of the 4<sup>th</sup> of July
