May Notes Received From Racket Sports

The next scheduled meeting is in July.

Pickleball and Tennis Players,
The results of the "Starting Times" survey have been tabulated and approved by several polling organizations. The question was to move starting times "up" 30 minutes during the summer season. There were votes to approve the change, votes to keep the times the same, votes to repeat the question, and "abstained" votes as well. The majority of the votes were to move the starting times to 7:30am for Pickleball and 8:30am for tennis beginning June 1, 2020. Also, one vote stated that the losing team after each match will sanitize the equipment!!!

Stay safe and be well.

BEGINNING JUNE 1, 2020: Pickleball will start at 7:30am and Tennis will start at 8:30am

Thank you,

Joe Law, Secretary Racquet Sports
