### **New Business:**

1. Review annual mission statement. Mission statement as incorporated into RAC Committee Handbook approved by acclimation.
2. List of annual objectives / goals for the year. Annual objectives are to increase participation. It is noted that due to Covid 19 some players are not playing. Additionally, felt an inopportune time to open courts to outsiders.
3. Status of Proposed new Pickleball courts with input from ROC by Dennis Brady and Golf and Tennis Director Frank Hinson. Expect initial construction to begin in next couple of days by company that built Pickleball courts at King's Point. Courts will have 8-foot fence with windscreens. Parking will be available for 6 cars.
4. Pickleball will be scheduled at 8 am Monday, Wednesday, and Friday. Tennis will be played same days at 9 am. This schedule selected to allow golfers and racketball players to participate in tennis. 5. 12 new pickleballs will be provided by Frank Hinson. Recommended they be stored by players to prevent loss or deterioration. Tennis balls are provided by players on a rotating basis. Meeting adjourned at 2:38 pm by President Birnbaum

Next meeting scheduled for January 13, 2021 at 2pm based on availability of room.

Respectfully submitted,

Hugh Howarth, Racket Sports Committee Secretary
