

**ADMINISTRATIVE SERVICES COMMITTEE
REPORT OF CANCELLED MEETING 1-14-2021**

1-14-2021

C

The meeting was cancelled by Chairperson Dennis Brady due to increases in Covid-19 cases being reported at Freedom Plaza, the restrictions against all gatherings, the closing of the dining rooms, and more importantly, the restrictions for meetings of more than 10 people having been re-issued. We need to be safe with the increases in cases we are now seeing in Florida.

While RAC President, Ron Sweet, has suggested that meetings could be held using Zoom meetings, Dennis felt that since there were no pressing issues needing to be completed the meeting should be cancelled. Also 2 speakers, Lisa Frank and Gary Bemby, had been asked to speak at this meeting, and their presentations with questions and answers would be much better were they done in person at a meeting rather than on computer screens.

They have been requested to reschedule their presentations for our February meeting so we can more easily discuss our issues and questions.

Our next meeting, hopefully will be held on February 11th at 2:30 PM in the Club Room.

Respectfully submitted:

Bob Cobe: Secretary
