1. The roll call confirmed a quorum, and the agenda was provided in advance by email.
2. The minutes of the December 16, 2021 meeting were approved by email on December 24th.
3. **Chairperson's Report:**
 - Tom advised that Anita Ciota has withdrawn from membership in the Committee.
 - There is a 2019 model of an Apple laptop which has been given to us by the ROC which is available for exclusive use of the Committee. Ron Sweet is pursuing a suitable storage location for it. We also need to purchase a USB-C to HDMI adapter for it to use it in the Club Room or the Auditorium. Jean Aronson is also seeking a storage location for electronic items managed by or donated to the Committee.

Training Report:

- Harry Hintz shared a sample page from "iPhone Tips for Seniors" and "iPad Tips for Seniors". This is a series of free videos from You Tube that may be valuable in the future. We explored the use of videos in future Tech Training sessions and agreed to pursue this further. Possibly a monthly session on iPhones, Android phones, and so on?
- Our next training topic will be online banking; what it is and how to use it. Tom Hart will pursue a date for the Auditorium and a presenter from a local bank branch to do the presentation. There will be no advertising for a particular bank permitted; the information will be general in nature. We will try for the 3rd week in February.

Unfinished Business:

- The Committee members proved the following resident support sessions:
Dec 2021 17
YTD 2021 273
Jan 2022 43

We will prioritize future "Tech Training Sessions" at our next meeting.

The next meeting will be on February 24, 2022 @ 10:00AM in the 4th Floor Conference Room.

4. Chairperson Dianne Bergman adjourned the meeting at 10:55AM.

Respectively submitted,
Tom Hart
Secretary
