

Associate Appreciation Committee Report March 12, 2022

A formal committee meeting was not held this month but the following tasks were completed.

The FINAL DATE to collect donations for the 2022 RAC Employee Appreciation Fund was taped to the lockboxes in The Plaza Atrium, The Inn, Plaza West Health Center, Freedom Plaza Assisted Living, and The Arbors.

Chairman Blackshire wrote a Thank You Note to all residents in the March 10, 2022 Weekly for the donations we have received thus far. She also included that November 11, 2022 is the last day donations will be included for the 2022 RAC Employee Appreciation Fund.

Chairman Blackshire met with Mary Leidecker, Director of Finance, and Arlene Jacobson, Director of Innovative Home Services, to explain our check distribution and to answer any questions they had about the process. Both meetings were productive for the new directors and Janet.

Theresa Lehman and Chairman Blackshire are going to meet in August or September to develop a plan to make it easier for the dining associates who are still in school to get their checks.

Respectively submitted,
Judy Schmidt, Secretary

Janet Blackshire, Chairperson
