Alice had made new Housekeeping Committee sheets which were distributed. Carol Austin has resigned and Dottie O'Donnell will be taking her place on the third floor. Kari reported on Martha's surgery and recovery and Letha reported on Alice's surgery and recovery. We wish them both a quick recovery.

GVT people again reported on the poor state of the carpeting. Kari stated that the replacement of carpeting is a maintenance issue and must be a budgeted item. Phil stated that Siby had said it would be in a later budget at a building meeting. The painting of the hallways in GVT was also discussed as nothing had been done. Again this is a maintenance issue but Kari said she would check into it.

Becky said that the indoor pool area is much improved but the walls of the shower need to be wiped down more often.

Kari reported that due to a problem in a laundry room, all of the laundry room floors had received special cleaning. She also reported that wall mounted folding tables had been ordered. These tables will fold against the wall when not in use.

Given no further business the meeting was adjourned by Chairperson Jones at 10:30 am.

The next meeting will be Wednesday, April 13.
