**GVT**

**Georgianna Youngblood – Building #9**

Georgianna had a question for GVT. She wanted to know if there was a schedule for pressure washing the outside for the front walkway. Martha said they will be pressure washing the building soon. It seems that buildings #7, 8 & 9 have problems.

New carpet will be put in sometime in the future. Martha will check with Siby. The carpet in building #9 is awful according to Georgianna. Georgianna thanked Emmy for her response to her last report. The feedback was greatly appreciated. Martha will schedule the carpet for a cleaning.

**Ann Bohachek – Building #5 & Plaza Club:**

Ann brought up the subject of recycling since there has been some confusion. There was some discussion at the meeting as to what was originally mentioned in the Town Hall meeting when the Waste Management individual spoke and stated that glass supposedly was not recyclable but then later a memo went out and it stated that glass is recyclable etc. Ann also stated that the trash in the entrance of building #5 was full. Martha will look into it.

**Linda Atkins – Building #7**

Linda mentioned about the spider webs in all the corners are recurring. She said that at least the spiders are not alive.

**Phil Bethea – Building #10**

Phil mentioned that everything is covered in dust due to the construction that is going on in building #10.

## **PLAZA (MAIN BUILDING) REPORTS**

### **Becky Batson – 6th Floor & Pool:**

Becky mentioned that Wings D & E are a little dusty with some stains near the rails. The stairwells are good. There is one window on E that is a recurring problem otherwise, everything looks good.

### **Martha Alanis**

Martha said that they are looking for more people to staff. She has people alternating on Sundays. The situation is difficult since people are also taking vacations.

Given no further business the meeting was adjourned by Chairperson Jones at 10:33 am.

**The next meeting will be Wednesday, May 11, 2022.**
