OPEN BUSINESS:

Glenn Spoerl - Study Group / Short Story Group has been formed with 24 members.

Dance Club formation request submitted by Brad Braddy. He will receive an Activities Dept. SOP Club Packet.

Card Room Credenza reorganization. Activities dept. staff and Activities Committee members will work to recruit volunteers for the project.

Jean Aronson has proposed a Newsletter Club to spotlight clubs, residents, to include birthdays and anniversaries, pictures of events, Club of the Month, etc. Newsletter to be published once a month, and placed in the atrium for residents to pick up. Sarah Chambers suggested newsletter be put on RacRep.Org instead of printing, to save expense of paper and color printing. Committee will request a prototype for evaluation .

Bill Turcotte has met with the RAC Exec. Council, and will be sending a letter to continue the Movie Club as is, under the supervision of the Activities Committee. Letter will be presented to the Council for a vote.

Upon discussion of a recommendation for a Clubs and Activities “New Comers” special presentation, it was agreed that “New Resident Move-in Packets”, Resident Handbook, RacRep.Org, and additional resources are sufficient. No need for a special presentation .

NEW SUGGESTIONS

Stan Zarinsky suggests a Tampa Bay Lightning Stanley Cup “pop-up” in the Pub with TVs to view the game. Pub is managed by the dining department, therefore, the initial suggestion should be made (by resident/s) to the Dining Director for approval, prior to any planning/organizing by the Activities Dept.

July CLS Meeting: New members to be introduced. And a farewell to leaving members.

Adjournment 11:25 am

Meetings are held the 1st Wednesday of each Month at 10:30 am in the Club Room.

Next meeting: **Wednesday, July 6th 2022, at 10:30**

Respectfully submitted by Maria Martucci
