Management Absent: Martha Alanis Housekeeping Manager,

Given that the committee has many new members, each person stated their name & where they inspected. A list of the committee with contact information was distributed. Members were asked to make corrections and return the list. Alice will distribute corrected lists at the next meeting.

Letha said that the committee was complete except for building 7.

The floor was opened for nominations for chair and secretary. Georgianna moved and Suzie seconded that Letha remain as chair and Alice remain as secretary. The vote was unanimous.

Georgianna reported that the GVT walls that have been painted look wonderful. She asked about pressure washing the sidewalks outside the doors and cleaning the benches. Kari said she'd check with Siby about the power washing and made note of the benches.

Mervin noted that the paper towel dispenser in the seventh-floor laundry was jammed. Kari made note of that.

Martha questioned when the windows were to be washed as the first-floor windows were dirty. Kari said power washing was to begin on July 18 & she would check to see if the dirt problem had to do with the sprinklers.

Kari explained that the folding tables she had mentioned a few months ago had been postponed due to the renovation of the laundry rooms. The rooms are now being measured for the tables.

The next meeting will be on August 10, 2022.

The meeting was adjourned at 10:50 am.
