Due to lack of participation at our recent meetings, Chair Birnbaum proposed three unexcused absences is a reason for termination.

Hugh Howarth and Leslie Anderson have been term limited and can no longer be on this committee.

Kris Wells has agreed to serve as Secretary.

Ron Larken will buy 2 new locks for the pickleball lockers as security of contents is a problem. Also, a new broom, squeegee and three replacement benches will be purchased.

There are cracks appearing on courts one and two; some small holes have developed on court one. They need to be repaired or resurfaced.

Old Business:

Sand on Pickleball courts creates a player danger. The situation must be corrected.

Ron met with Siby and found blocked French Drain requiring cleanout.

With no further business meeting closed at 11:35 by Chair Birnbaum

Next Meeting Date to be Determined.

Respectfully submitted,
Hugh Howarth
Secretary
