

**RAC Community Life Services Committee/Activities Meeting  
July 3, 2024**

**Members Present:** Chairman Bill Turcotte, Sue Deptula, Sandee Braddy, Dave Looney. Resident Guest: Tedi Nessa

**Members Absent:** Jean Aronson, Janis Harris, Idalea Rubin, Glenn Spoerl, Sue Schuldt

**Activities Department:** Suzy Burt, Kayla Watters

Meeting called to order at 10:30am

**OPEN BUSINESS:**

**Graduate School Classes:** GS committee chair reported that overall class attendance was a little lower than expected, which could be attributed to the schedule change. Evaluation will take place following the final semester.

**TouchTown Tutorial Training Update:** Classes will revert to a quarterly schedule. This marks the second consecutive month with less-than-full attendance. The decrease is related to Activities and ROC providing individual training classes.

**TouchTown and RacRap.org Update:** Activities has completed transitioning work orders and now working on the administration department module. In the third quarter, Phase 2 will involve integrating the RAC Committee's prioritized RACrep.org modules into TouchTown.

**Freedom Plaza Anniversary "Demin & Diamonds" Gala Update:** The resident memo will be distributed tonight. Front page provides an explanation of the event, with a prominent section detailing the attire, as we are giving special attention to this due to previous feedback about Anniversary Attire. The back page offers a detailed breakdown of the event information.

**Review of June Programming:** Attendance for the *Philip Leto Lectures* in the "Road to the White House" series has ranged from 65 to 80 people per lecture. *Miguel's French Restaurant* received rave reviews with requests to include in our annual rotation. *Kona Ice Truck* event participation was low. The mid-day timing might have been a contributing factor. The *Weeki Wachee* trip was somewhat successful, though some participants were unable to go on the boat tour. The restaurant in Tarpon Springs was well-received, but residents were unhappy about being seated in a large group.

Meeting ended at: 11:32am
